Date: 5th July, 2024

Event: Dominic Savio Feast

Section: Pre-primary

Dominic Savio Kindergarten, Nerul celebrated the feast of their patron saint with much solemnity and fervor on Friday, 5th July 2024.

"True happiness lies in fulfilling God's will," a saying attributed to St. Dominic Savio, resonated deeply as students participated in prayer services and engaged in activities that highlighted his life and teachings.

The life of the saint was explained to the tiny tots by showing a video on St. Dominic Savio. The celebration started with games organized in the classrooms. These games were not only recreational but also aimed at fostering teamwork and camaraderie among the students. The rain added an unexpected twist to the celebration, turning puddles into playgrounds. Many students gleefully jumped and splashed in the puddles, turning an ordinary rainy day into a memorable experience of spontaneous joy and laughter.

The Feast of St. Dominic Savio celebration at Don Bosco School, Nerul, was a blend of joy and spiritual reflection. The students and staff embraced the day with enthusiasm, engaging in games and dancing in the rain. The event not only celebrated Saint's life but also encouraged students to embody his virtues of faith, joy, and service in their daily lives.

The "Raindrop delight" was organized for the first time for the tiny tots. The Headmistress Mrs. Jyotsna Dsouza praised the initiative and appreciated how the programme successfully engaged students in learning about weather phenomena and safety tips, reinforcing the school's commitment to holistic education.

Children were overjoyed to receive cake. Bellies full and smiles wide, they left with sweet memories dancing in their heads and a joyful after taste lingering on their lips.
