

DOMINIC SAVIO KINDERGARTEN, NERUL

REPORT

Date: 19th September, 2024

Event: Field Trip – Visit to Akshaya Patra Foundation, Kitchen Panvel

Section: Sr.KG

"Nurturing minds with knowledge, compassion, and care!"

On Thursday, 19th September 2024, the Sr. KG students of Dominic Savio Kindergarten embarked on an exciting field trip to the **Akshaya Patra Foundation Kitchen** in Panvel during school hours. Fr Shekhar Mariadas our vice principal cum Administrator blessed our students and started the trip. The visit aimed to expose our young learners to the workings of a mega kitchen that prepares meals for government schools and supports underprivileged students.

During the trip, the students were given a tour of the kitchen, where they observed the massive vessels used to prepare large quantities of nutritious food. They were also educated on the **value of food** and how this initiative plays a significant role in feeding children from less privileged backgrounds.

The students were enthusiastic throughout the visit, amazed by the scale of the operation, and left with a deeper understanding of how food is prepared in a hygiene way and distributed to those in need. They returned with newfound knowledge about the importance of helping others and appreciating the meals they receive. Students learned about importance of teamwork, nutrition, and food safety. Parent of Sr.KG C Mrs Ruchita mother of Elkanah appreciated the school for taking initiative to introduce children to the needs of the community from a very young age. Parents were also happy saying bus arrangements and everything was on time.

Our visit enriched Sr.KG students understanding social responsibility.
