Don Bosco School Launches Recyclable Waste Collection Drive

DBSSSN/R/ACAD/I - IX/FEB/25/44

"Recycle today for a better tomorrow"

Supporting Sustainable Development Goals

To promote responsible waste management, Don Bosco Senior Secondary School Nerul, in collaboration with the Indian Centre for Plastics in the Environment (ICPE), NMMC and the Rotary Club is organizing a Plastic and E-Waste Collection Drive from February 10th to 14th, 2025.

This initiative aims to address the challenges of dry waste disposal, particularly plastic bottles and electronic waste (such as used batteries), while raising awareness about proper waste segregation, recycling, and environmental sustainability.

Students from Classes I to XI are encouraged to participate mindfully and contribute to this meaningful cause. Designated cartons will be placed at the school entrance for collection.

How Can You Contribute?

Let's take a step towards a cleaner and a greener future!

Regards

Principal & The Eco Club members of the school
