DBSSSN/R/ACAD/XII/JUNE/25/13

Date: 18/06/2025

Dear Parents,

At the outset, we thank you for attending the orientation programme for Class XII on 14th June, 2025.

Based on your feedback and the student's requirements, the science faculty has created the time-table for 'Weekly Doubt Clearing Sessions'.

At these intensive sessions, teachers will be discussing topic related questions, the board pattern and previous board questions.

Students must maintain a separate 200 pages notebook for each subject and must carry the notebook on the session day. Students must attend all the sessions as these are for their academic progress.

Students who remain absent for regular school on the session days, will not be permitted to attend the special sessions.

**Note:** We still observe late coming among the students every day. After three late entries, the student/s will be sent back home. Being on time is a good habit and we expect all our students to adhere to the school timings.

It has been observed that many students are consistently absent on Fridays without a valid reason. Please be informed that if this pattern of absenteeism continues, parents/guardians will be required to attend a meeting at the school to discuss their child's attendance. Students must attend school regularly.

Regards,

*Kalyani Chaudhary*
