Dear Parents

The Interact Club of Don Bosco Nerul is a youth service club formed under the guidance and sponsorship of the Rotary Club of Smart City – Navi Mumbai. Interact is a platform that empowers students aged 12 to 18 to engage in meaningful community service, build leadership skills, and develop a sense of global citizenship.

At Don Bosco Nerul, the Interact Club embodies the Rotary ideal of “Service Above Self”, encouraging young minds to become socially responsible, compassionate, and proactive citizens through various projects and activities. With the mentorship of the Rotary Club of Smart City, the students are guided to plan and execute initiatives that bring real change to society, while nurturing values of teamwork, empathy, and leadership.

Kindly fill in the Registration form attached with this notice and provide your ward an opportunity to become responsible and service-oriented citizen of this country.

Best Regards,
