DBSSN/R/ACAD/X/JULY/25/22

CLASS X – DOUBT CLEARING SESSIONS

TIME TABLE

Date: 10th July, 2025

Dear Parents,

In response to the performance requirements of Class X students, the faculty has created the time-table for 'Fortnightly Doubt Clearing Sessions'.

These sessions aim to provide additional support and clarification on complex topics, helping students to improve their understanding and performance.

At these intensive sessions, teachers will be discussing topic related questions, the board pattern and previous board questions.

Students must maintain a separate 200 pages notebook for each subject and must carry the notebook on the session day. Attendance for the sessions is compulsory as these are for their academic progress.

Students who remain absent for regular school on the session days, will not be permitted to attend the special sessions.

Note: We still observe late coming among the students every day. After three late entries, the student/s will be sent back home. Being on time is a good habit and we expect all our students to adhere to the school timings.

Students have to be regular to the class. It has been observed that many students are consistently absent on Fridays without a valid reason.

Absenteeism for three consecutive sessions will call for a parent meeting.

Regards,

FOR

Principal

L. S. S. S.
