NOTICE FOR WWF- WILD WISDOM GLOBAL CHALLENGE 2025

DBSSSN/R/ACAD/VI-IX/AUGUST/25/43

7th August, 2025

Dear Parents,

The Wild Wisdom Global Challenge (WWGC), an annual initiative by WWF-India since 2008, is an exciting and interactive program that invites students to dive into the fascinating world of biodiversity and wildlife conservation. Designed to spark curiosity and inspire action, this initiative encourages children from an early age to discover their vital role in protecting nature.

Theme of the challenge- Incredible Insects

The Wild Wisdom Global Challenge 2025 invites schools and their students to dive into the fascinating world of insects- from dazzling Butterflies and mysterious Moths to buzzing Bees, hopping Grasshoppers, stealthy Mantises, shimmering Dragonflies, and so many more wild wonders waiting to be discovered!

1. **Diversity and Distribution:** Discover the different species of insects and where they live across the globe!
2. **Insect Biology:** Unveil how insects work — from their wings to their super senses!
3. **Adaptations, Predation, and Communication:** Explore how insects have developed awesome survival strategies and how they talk to each other!
4. **Social Lives:** Dive into the amazing world of insect colonies and how they work together.
5. **Ecological Roles:** Understand how insects help keep the Earth balanced.
6. **Humans and Insects:** Explore the relationship between humans and insects — from pollination to food and beyond.

Eligibility: Students from Std. VI-IX can participate in this.

Registration: There is no registration fee.

Preparation material: WWF-India will provide e-learning material for students to prepare for the various levels of the challenge.
