

DOMINIC SAVIO KINDERGARTEN, NERUL

Field Trip Report

By Tr. R.Mallika

Don Bosco Senior Secondary School ,Nerul

Visit to Shrikrishna Plant Nursery Kharghar, September 10 , 2025:

The Junior Kindergarten children of Don Bosco School, Nerul, visited **Shrikrishna Plant Nursery**, Kharghar on Friday, September 10, 2025. A total of 142 students , accompanied by Shobha Ma'am, five teachers, eight parent volunteers and one support staff participated in the trip.

We all left the school premises at 9.00 a.m. in three buses and returned safely by 11.00 a.m. The journey was smooth and filled with excitement as the students sang songs and chatted happily on the way.

At the nursery, the children enjoyed walking through the greenery and observing a wide variety of plants, including flowering plants, medicinal herbs, saplings, and indoor decorative plants. Teachers explained the importance of sunlight, water, and care in plant growth. The children eagerly learned how plants are nurtured at the nursery. The children were guided through various sections displaying a wide range of plants, including flowering plants, medicinal herbs, saplings, and indoor decorative plants.

The visit helped the students gain first-hand knowledge about plants and their uses. It also nurtured in them a sense of responsibility towards caring for nature.

The field trip to Shrikrishna Plant Nursery was both educational and enjoyable, leaving the children with valuable learning and a memorable experience.
