Don Bosco Senior Secondary School, Nerul, joyously celebrated Teachers' Day on September 9, 2025, with profound enthusiasm and heartfelt gratitude. The festivities began with vibrant classroom celebrations where students from class I to XII, in collaboration with the Class PTA, meticulously organized a prayer service followed by captivating entertainment programmes. These thoughtful tributes honoured their principal, head team members, class teacher, subject teachers, and the dedicated non-teaching and support staff, eloquently expressing appreciation for their unwavering effort.

A grand special programme, themed "**You Lit the Spark, We carry the flame,**" was thoughtfully curated by the students for all teachers, non-teaching staff, coaches, and support staff. The school management, along with teachers from the Foundational Preparatory, Middle, Secondary, and Senior Secondary sections, office staff, activity coaches, and support staff, were warmly welcomed with adjectives befitting their personalities, setting a tone of admiration and respect. The students' warm welcome underscored their deep regard for their educators. The event commenced with a mesmerizing prayer dance performed by a past pupil through Bharatanatyam, profusely highlighting the profound significance of a guru in shaping lives. Dr. Rev. Fr. Barnabe D'Souza delivered an eloquent address, accentuating the multifaceted role teachers play in nurturing students – imparting academic knowledge alongside vital life values, thereby moulding distinguished citizens. The celebration unfolded with a tapestry of delightful performances: Sr.KG students charmed everyone with adorable dances; Class V students brought smiles with their humorous recitation of "I Saw My Teacher on Saturday"; and Class VI to VIII students rendered a heartfelt musical tribute singing "Count on Me," echoing bonds of trust and gratitude.

A captivating skit presented by the Senior Secondary students enriched the mosaic further, beginning with a prayer dance by the students of VIII and IX expressing deep reverence for their gurus. Subsequent scenes depicted the timeless elegance of Indian classical dance; underscored the importance of cleanliness and environmental respect inculcated by teachers; acknowledged the vital contributions of sports coaches to holistic well-being; and appreciated the invaluable care provided by the school nurse. The culminating scene

beautifully encapsulated a mutual exchange of affection and respect between students and teachers.

Another highlight was the surprise complimentary copies on the special edition on Teachers' Day sent to the school by well-wisher and educationist Mr Ajit Balan. Four hundred complimentary copies were distributed to the students commemorating the special contribution of impactful teachers.
