

Don Bosco Senior Secondary School, Nerul

Don Bosco Senior Secondary School, Nerul Report on Field Trip to Supermarket

Section: Foundational Stage – Sr. KG

Name of the Place: Inorbit Mall, Vashi – Smart Bazaar Supermarket

Date of the Event: 17-7-25

Occasion: Educational Field Trip on the Topic – *Cleanliness*

Report on Supermarket Visit – Cleanliness Awareness

What was done?

As part of experiential learning and to introduce the concept of *Cleanliness* in real-life settings, a field trip was organized for Sr. KG children to the **Supermarket at Inorbit Mall, Vashi**.

Children **left school at 9:00 AM** and returned by **11:45 AM** after an engaging and insightful visit.

- The children explored different sections of the supermarket and observed how neatly everything was arranged.
 - They noticed the use of dustbins, gloves, mops, and cleaning sprays used by the staff to maintain hygiene.
 - Teachers explained the importance of cleanliness while shopping, storing food, and maintaining hygiene in public spaces.
-

What did you learn?

- The children learned how cleanliness is important in places where food and daily items are sold.
 - They observed the role of cleanliness in keeping germs away and staying healthy.
 - The trip encouraged children to follow clean habits at home, school, and in public places.
-

Key Takeaways

- Children understood practical applications of hygiene and cleanliness.
 - They gained awareness about the importance of organized and clean spaces.
 - New vocabulary related to hygiene, food handling, and shopping was introduced.
-

Leadership Presence

Supervisor Tr. Mahek visited the school in the morning to meet and motivate the children before they left for the trip. Her presence boosted the children's enthusiasm and confidence.

Relevance to Our School Context

The visit connects with our ongoing lessons on value education and healthy habits. It supports holistic learning by combining classroom knowledge with real-world exposure.

How will this be applied further?

- Teachers will conduct reflective sessions through classroom discussions.
 - Children will be encouraged to follow and model clean habits at school and at home.
 - Activities like "Clean Desk Day" and "Dustbin Duty" will be introduced to build responsibility.
-

What could have been better?

- A small demonstration by supermarket staff on how cleaning materials are used would have added more engagement.
-

What was done well?

- The field trip was well-organized and safely conducted.
 - Children followed instructions and displayed good manners.
 - Teachers guided the children effectively and reinforced key cleanliness concepts.
-

Suggestions

- Organize a "Clean Corner" display where children can bring pictures or items related to cleanliness.
- Conduct a role-play activity in class on how to keep different areas clean.
