ORALS

Poems:

1. Little seed

I plant a little seed.
In the ground,
Out comes the sun,
Big and round.
Down comes the rain drops,
Soft and slow,
Up comes a flower,
Grow, grow, grow!

2. Monsoon season

I felt a raindrop fall on my nose,
Saw dark clouds and lightning and heard thunder roll
We'll open our umbrellas and wear our raincoats,
To splash in the puddles and sail paper boats,
Thank you, Heavenly Father, for the seasons you send,
It makes us happy as we play with our friends.

3. Froggie Froggie

Froggie, Froggie, come out to play, for it is a rainy day.
Big and lovely mushrooms near
Froggie has his dinner here.

Froggie, Froggie, goes to school,
And he sits on his mushroom stool.
In the sky the clouds are grey,
For it is a rainy day.

Songs:

1. If all the drops were lemon drops

If all the raindrops were lemon drops and gumdrops
Oh, what a rain it would be
Standing outside with my mouth open wide
Ah Ah-ah Ah Ah-ah Ah Ah-ah Ah
Oh, what a rain that would be

If all the raindrops were cupcakes and lollipops
Oh, what a rain it would be
Standing outside with my mouth open wide
Ah Ah-ah Ah Ah-ah Ah Ah-ah Ah
Oh, what a rain that would be

2. The Farmer Plants the Seeds

The farmer plants the seeds The farmer plants the seeds
Hey ho, the derry - o
The farmer plants the seeds

- The rain begins to fall (2)
- The sun begins to shine (2)
- The plants begin to grow (2)
- The buds all open up (2)
- The flower smiles up at me (2)

3. Helping mother bake a cake

Helping mother bake a cake,
We think it's fun.
It looks so good,
We can hardly wait,
Till the baking is done.
Drop in the eggs,
And beat, beat, beat.
Now add the sugar, to make it sweet.
Sift the flour then add the milk,
Just to make sure its soft as silk.
Beat once more with all your might,
Just to make sure its fluffy and light.
Pour in the pan and bake, bake, bake,
Yum, yum, yum __ (sniff in) can we taste the cake.

The fox's mouth watered at the sight of those delicious grapes. He decided that he wanted to have some. He jumped and jumped and tried to reach a bunch of grapes but it was too high. After several attempts, the fox walked away, saying to himself, "Those grapes must be sour. I don't need them."

One summer day a grasshopper was sitting and enjoying himself in the sun. A hardworking ant passed by carrying a grain of corn on her back, "Come and sing with me", said the grasshopper. "I am sorry I can't I am too busy. I have to gather food for winter," said the ant. "Why worry about winter? There is plenty of food all around," said the grasshopper. But the ant did not listen to him and stored enough food for the winter. When winter came, it became very cold. The grasshopper could not find anything to eat.
