SCHOOL EXHIBITION GUIDELINES AND SCHEDULE

ROUND 1 – RESEARCH DISPLAY (All Classes)

Stage 1: Research & Display (Date: October 15)

Themes:

- STEAM (Science, Technology, Engineering, Art & Math)
- Value Education
- Career Presentation

Instructions:

- Every student must participate in a group (formed by the teacher).
- Each group researches one approved topic under the given themes.
- Prepare your findings neatly on A1-size sheets.
- Include headings, bullet points, diagrams, charts, and images (above 800px for clarity).
- Keep it creative, informative, and well-organized.
- Submit a digital copy (PDF) to your class teacher by October 15.

Presentation Tips:

- Use simple fonts and highlight key points.
- Include names of all group members and class.

ROUND 2 – CLASS EXHIBITS

Classes I-II

Date & Time: 10th November 2025, 8:30 a.m. – 9:30 a.m.

Theme: Passion Project — showcasing students' interests, talents, or hobbies.

Participation: Individual.

Selection: Three best exhibits per class will qualify for the Final Round.

Preparation:

- Use safe, eco-friendly materials.
- Label clearly (name, class, topic).
- Set up by 8:15 a.m.

Parental Visit: 8:30 – 9:30 a.m.

Evaluation: Creativity, originality, clarity, and effort.

Classes III-XI

Project Theme: STEAM integrated with Value Education or Career Presentation.

- STEAM & Values: How innovation promotes empathy, responsibility, sustainability, teamwork.
- STEAM & Careers: Exploring career fields in STEAM, future opportunities, and innovations.

Class Group	Date	Time
III – V	10th November 2025	11:00 a.m. – 12:00 noon
VI – VIII	13th November 2025	12:35 p.m. – 2:30 p.m.
IX & XI	12th November 2025	12:35 p.m. – 2:30 p.m.

Guidelines:

- Each class will have five groups preparing exhibits.
- One best exhibit per class will move to the Final Round.
- Projects must clearly link the STEAM concept to the theme (Values or Careers).
- Accepted formats: models, experiments, digital/poster displays, artistic visuals.
- Ensure all materials are safe and eco-friendly.
- Teachers will guide brainstorming, originality, and presentation readiness.

Evaluation Criteria:

- Relevance to STEAM
- Creativity & Innovation
- Concept clarity & explanation
- Integration of values/career relevance
- Teamwork & presentation

Parental Visit: Parents are invited during allotted slots.

FINAL ROUND – ASSEMBLY HALL EXHIBITION

Date: 15th November 2025

Venue: School Assembly Hall

Participants:

- 3 selected exhibits from Classes I–II
- 1 best exhibit from each class in III–XI

Focus: Display of the most innovative, creative, and value-driven projects.

Judging Criteria: Originality, clarity, teamwork, presentation, and theme connection.

Exhibit the Model

The 1st Best Exhibit will be displayed in the Assembly Hall.

The 2nd Best Exhibit will be displayed near the lobby on each floor.

PTA members are invited for the inauguration of the exhibition.

Thanking you

Kalyani Chaudhuri
Principal
