

DOMINIC SAVIO KINDERGARTEN, NERUL

CULTURAL DAY – SR. KG

REPORT

By Tr. Vandana Rana

Dominic Savio Kindergarten organized its 2nd Cultural Day for the Senior KG students on December 6th, 2025, celebrating creativity and confident expression through the theme “Learning is Fun.”

The event featured a series of well-coordinated performances that promoted joyful learning through dramatization, music, singing, and rhythmic movement. Students enthusiastically participated, showcasing their talent, clarity of speech, and stage presence throughout the programme. The highlight of the event was the skit “Number Land,” in which children expressively portrayed the importance of numbers in daily life. The skit also included a special live singing performance that received loud applause from the audience.

The programme began with a cheerful Welcome Speech, followed by a melodious Welcome Song presented by the students. This was succeeded by a well-rendered Prayer Song, after which Rector Fr. Dr. Barnabe Dsouza addressed and encouraged the children, appreciating their confidence and discipline on stage.

Principal Ma’am, Mrs. Kalyani Chaudhary, commended the children for their expressive dialogues, clear delivery, and confident performance. She also appreciated the efforts of the teachers and extended gratitude to parents for their cooperation. Rector Fr. Dr. Barnabe Dsouza congratulated the parents, teachers, and students, appreciating their discipline, creativity, and excellent stage presence throughout the programme. Headmistress and supervisors congratulated the teachers for an impressive and well-organized show.

The Cultural Day concluded with an expressive Thank You Speech and a harmonious Thank You Song, acknowledging the contribution of parents, teachers, and management. The programme reflected the school’s commitment to nurturing creativity, self-expression, and joyful learning through performing arts.

The event ended on a happy note, leaving behind beautiful memories of teamwork, confidence, and the delightful spirit of learning with numbers.
