**REPORT – CHRISTMAS PANAROMA**

**By: Tr. Priya Pereira**

The Foundation Stage 1 Christmas Panorama was joyfully celebrated on 22nd December 2025, creating a festive and cheerful atmosphere across the campus. The day was filled with excitement, music, and the true spirit of Christmas, making it a memorable experience for our little learners.

All children arrived beautifully dressed in Christmas colours red, green, and white adding vibrancy and charm to the celebration. The programme began with a short prayer and attendance, helping the children understand the importance of gratitude and togetherness during this holy season.

To set the festive mood, the teachers played a Christmas story, which captivated the children and helped them learn about the joy of sharing, love, and kindness associated with Christmas. Following this, the Nursery, Junior KG, and Senior KG classes participated one by one in the celebration. Each class sang melodious Christmas carols and joyfully moved around the beautifully decorated Christmas tree while wearing colourful Christmas headgear. Their enthusiasm and confidence filled the surroundings with happiness and festive cheer.

A lively jam session with Santa Claus was the highlight of the celebration. Fr. Rector Barnabe D'Souza and Fr. Shekhar graciously attended the jam session and interacted with the children, adding warmth and encouragement to the event. The children danced, sang, and joyfully engaged with Santa spreading laughter and excitement among everyone present. This segment brought immense joy and created unforgettable moments for the children.

After the common celebration, the children returned to their respective classrooms, where they happily exchanged Christmas snacks with their friends, promoting sharing, bonding, and friendship. As a token of love and festive cheer, the children were also given Christmas gifts, which further added to their excitement and happiness.

The celebration concluded smoothly with dispersal, leaving the children with smiling faces and hearts full of joy. The Christmas Panorama successfully conveyed the message of love, sharing, and togetherness, making it a truly meaningful celebration for all.
