## From the Rector's Desk - Summer Vacation 2026

My Dear Boscoites,

As you close your books and open your holidays, remember: Don Bosco's school has no walls. Your real report card this summer will be written in your homes, villages, streets, and hearts. *Go Beyond the Classroom – Learn Life from:*

1. *Visiting Family Members* – (Ephesians 6:2)

Your grandparents' stories are textbooks. Listen to them, Help & show them you Love them. Spending time with them is time spent with God.

2. *Visit Your Native Village* – "Remember your roots." – Jeremiah 6:16

Touch the soil your parents came from. Learn its language, food, and faith. Live your roots.

3. *Do Social Outreach* – "Whatever you did for the least of these, you did for me." – Mt 25:40

Teach a child, feed an elder, clean a street. Don Bosco began with one poor boy. What about you?

4. *Learn & Master a Language* – Acts 2:6

Your mother tongue, Hindi, Marathi, or English – speak it better. Language builds bridges.

5. *Learn Survival Skills* – Prov 10:14

Learn to Cook a meal. Fix a tap. Plant a sapling. Swim, How to Budget money.

Your Challenge: Return in June not just rested, but grown. Come back with stories of love given, skills learned, and people served. That is Salesian education.

May God will travel with you. Don Bosco's blessing is on every home you enter.

Will Miss you at School, but you have a Safe, Holy, Happy summer. Make your family proud. Make your school proud. Make God smile. I am praying for each one of you.

With much Affection,

Yours in Don Bosco,

Fr. Barnabe Souza, SDB
