LITERACY (ENGLISH)

Poems:

1. My Self (April)

I am special, I am me,
The best person I can be.
I have two eyes, a nose, and smile,
I laugh and play all the while.
I like to learn, I like to read,
I help my friends in time of need.
I love my family, they love me,
I am as happy as happy can be!

2. The family (June)

This is the father short and stout
This is the mother with children all about
This is the brother, as tall as you can see
This is the sister, with a dolly on her knee
This is the baby still to grow
This is the family all in a row

3. Sweep the classroom clean (July)

Sweep the classroom clean
Swish, swash, swish, swash
Keep the classroom clean
Keep the toys away
Quick, quick, quick, quick
Keep the toys away
Wash the paint away
Scrub it clean wash it clean
Wash the paint away
What a tidy class we have
keep it clean this way.

Songs

"Clean and Bright" (April)

Wash, wash, wash your hands,
Keep them clean and bright!
Scrub with soap, rinse with water,
Make them shine so bright!

Clean and bright, clean and bright,
Keeping germs away!
Healthy, happy, every day,
When we clean and play!

Brush, brush, brush your teeth,
Morning, noon, and night!
Up and down, round and round,
Keep them clean and white!

Clean and bright, clean and bright,
Keeping germs away!
Healthy, happy, every day,
When we clean and play!

Story:

The Lion and the Mouse

Once a lion was fast asleep when, a little mouse ran up and down on him. This awakened the lion. He was angry and caught the mouse with his huge paw. Then he opened his big mouth to swallow him. "Please forgive me, O king of the jungle", cried the little mouse. "I shall never forget your kindness. I may be small but who knows, someday I may help you". The lion laughed and took pity and set the mouse free. A few days later, the lion got caught in a hunter's net. He roared and roared. The little mouse heard the sound and ran towards the lion. Immediately the mouse started nibbling the net with its tiny teeth. Soon the lion was free and thanked the little mouse. After this, they became friends.

Moral of the story: A friend in need is a friend indeed.
