Date: 25th June 2026

PSYCHOMETRIC TEST FOR CAREER ASSESSMENT – CLASS IX

Dear Parents,

We would like to inform you about the Psychometric test for Career Assessment for students of Class IX, being organized by Don Bosco Senior Secondary School, Nerul in collaboration with the Career Guidance Cell, Prafula Nerul on Friday, 10th July 2026 during the school hours. A Career Assessment Orientation was conducted for Parents of Class IX on Thursday, 18th June 2026 to familiarise parents with the career assessment process and its importance. The session provided an overview of how the assessment helps students identify their interests, aptitudes, strengths and potential career pathways.

The Career Assessment Test is a tool designed to:

- Help students make informed decisions about the educational streams they can choose and orient them to the vast scope of specialised courses that lead them to fulfilling careers.
- Help the student understand, explore and consider all the personal and psychological attributes (like interest, personality, intelligence, aptitude and work style) that will determine whether or not their educational choices will be fulfilling and career aspirations successful.
- Enabling them to choose the right courses for them and pursue the same with better ease, zeal, enthusiasm and confidence.

A fourteen-page comprehensive report will be provided to each student after the assessment. Counsellor guidance sessions will be available to the parents to understand and interpret the administered test results.

Kindly make note of the following: Against each student's contribution towards an individual assessment; an amount of (Rs 2000/- inclusive of taxes) will have to be paid to Don Bosco Senior Secondary School, Nerul. This amount will be for the services of a group parental orientation, conduction of the online Psychometric assessment on campus and a report of the same.

Kindly furnish your email address and other details correctly through the google form link (<https://forms.gle/rVV36Mf9m8AHqTKM6>) so that the reports can be addressed to the correct recipient. Please share the physical copy of the successful transaction details with your class teacher with Name, Grade, Division, address and contact numbers for our records.

*KINDLY NOTE THE PAYMENT DETAILS ARE GIVEN ON THE NEXT PAGE.
