

DOMINIC SAVIO KINDERGARTEN, NERUL

REPORT – MONSOON MADNESS

Date: 03rd July 2026

By: Tr. Perpetual Kotian

Dominic Savio Kindergarten Celebrated the Feast of St Dominic Savio with Monsoon Madness with Joy and Enthusiasm.

The celebration was conducted in two batches—Batch 1 from 8:00 a.m. to 9:30 a.m. and Batch 2 from 10:00 a.m. to 11:30 a.m. The day was filled with exciting indoor and outdoor activities that made learning fun and memorable.

The children enthusiastically sailed colourful paper boats, participated in imaginative classroom games by acting as rain-related objects such as raindrops, clouds, umbrellas, and lightning, and created beautiful snail crafts using chart paper. These activities encouraged creativity, teamwork, and fine motor skill development.

The highlight of the celebration was the joyful rain dance, where the children, dressed in colourful raincoats, danced, played, and splashed in the rain with great excitement. Our Rector, Rev. Fr. Dr. Barnabe D'Souza joined the children in the celebration, making the occasion even more joyful and memorable.

The celebration provided a wonderful opportunity for experiential learning while developing creativity, confidence, and social interaction. The day concluded with smiling faces and cherished memories, making Monsoon Madness a truly enjoyable experience for all.
