LITERACY (ENGLISH)

ORALS

• **Songs:**

1. Trees

A thick trunk with strong roots,
Trees give us flowers and fruits.
Many branches with leaves so green,
Trees keep the air so clean.
Thank you God for our beautiful trees.
(Repeat 2 times)

2. Seasons

Tune: Here we go round the Mulberry Bush

The seasons come, the seasons go,
We play in the sun when it rains or is cold.
The seasons come, the seasons go,
We welcome all the seasons.

When in summer the sun is hot,
We don't mind we still play a lot.
We sip cold drinks and there's ice cream too,
We welcome all the seasons.

The seasons come, the seasons go,
We play in the sun when it rains or is cold.
The seasons come, the seasons go,
We welcome all the seasons.

When the rain starts to fall,
The sky turns dark, the thunder rolls.
We sail paper boats in the water so,
We welcome all the seasons.

The seasons come, the seasons go,
We play in the sun when it rains or is cold.
The seasons come, the seasons go,
We welcome all the seasons.

Poems:

1. Pitter Patter Raindrops

Pitter Patter raindrops
Falling from the sky,
Here is my umbrella,
To keep me safe and dry!

2. Raindrop

Splash fell a raindrop
and sat upon my back.
Splash fell another one
right here upon my mac.
You're very rude I said
as I looked up in the sky
And splash fell another one
Right into my eye.

3. Plants

Plants, plants, growing tall,
Reaching up, they stand so tall.
Leaves, leaves, green and bright,
Soaking up the sunshine light.
