CLASS PHOTOGRAPH SESSION

DBSSSN/R/ACAD/NUR-XII/OCT/26/97

Date: 3rd October 2026

Dear Parents,

Memories last a lifetime, and to capture this academic year's special moments, the school has organized the Annual Class Photo Session for all students. The neat presentation of our students and the smooth, orderly movement of classes during the photography session is a shared responsibility.

We request your cooperation in following these simple guidelines to ensure the photographs look uniform and the schedule runs smoothly. This will help us capture these precious memories beautifully.

- 1. Proper School Uniform:** Students must wear their complete, neat, and well-ironed regular school uniform only. (not the sports/house uniform or Scouts & Guides uniform)
- 2. Footwear:** Clean, polished black school shoes and prescribed school socks are mandatory.
- 3. Grooming:** Hair should be neatly combed. Girls should plait their hair with school-approved hairbands. Boys should have a neat haircut.
- 4. Mandatory Attendance:** Please make sure your child is present on their designated photo day, as slots cannot be rescheduled for individual absentees.

Date/Day	Section
7th October 2026, Wednesday	Foundational Stage Preparatory Stage
8th October 2026, Thursday	Middle Stage Secondary Stage

5. Arrive strictly on time: Late arrivals disrupt the class lineup and delay the entire photography schedule for subsequent classes.

Together, let us keep the schedule moving and our children looking their best.
Thank you for your cooperation.

Regards

Kalyani Chaudhary
Principal 2/10/26
