1st October 2026

A small note to parents: Helping our children build good habits

Dear Parents,

The habits children develop today become the values they carry into tomorrow.

Uniform, grooming, punctuality, identification and everyday discipline may seem like small things, but they teach our children something much bigger — self-respect, responsibility, consistency and respect for the community they belong to.

As partners in your child's growth, we request you to help us ensure that the following expectations are followed from **Monday, 5 October 2026**:

- 1. Uniform:** Students must wear the prescribed school uniform on the designated days, as per the timetable and Student Handbook.
- 2. Shoes & Socks:** Black school shoes and prescribed socks must be worn on all regular school days. Students attending field-sport/activity days may follow the specified sports requirements. Students staying back after school must change into appropriate attire for the activity and not wear it during school hours.
- 3. Personal Grooming:** Nails should be neatly trimmed and haircuts/hairstyles should be maintained as prescribed in the Student Handbook. Being well-groomed is a simple way of learning to take pride in oneself.
- 4. Student ID Cards:** Students must wear their school ID cards while on the school premises. This helps us identify and safeguard our students, particularly during arrival, dispersal and school events.
- 5. Parent ID Cards:** For the safety and security of our children, parents/guardians entering the school premises must wear their **Parent ID Card (Red Strap)** visibly at all times. Entry will be permitted only to parents/guardians who have a prior appointment with the school. This helps our security team quickly identify authorized visitors and ensures smooth movement and safe management within the school.
- 6. Birthday Celebrations:** We are happy to celebrate the joy of our children's special days. Students may share small candies with classmates. Kindly refrain from sending cakes, large chocolates/slabs or gifts to school.

7. Arrival Time: Parents are requested to ensure that children **arrive at school on time**, ready to begin the day calmly and positively.

8. Behaviour and Conduct: Students are expected to behave respectfully towards teachers, staff members and fellow students. Bullying, teasing, using inappropriate gestures, or engaging in any form of disrespectful or disruptive behaviour will not be encouraged.

8. Appropriate Language: Students must use polite, respectful and appropriate language at all times. The use of abusive words, slang, offensive remarks or inappropriate language towards peers, teachers or other staff members is unacceptable. English is the language of communication in school, As the medium of instruction is English, students must speak in English when on campus-inside/outside their classrooms.

Together, we build more than good discipline.

When home and school reinforce the same simple habits, children learn that discipline is not about rules being imposed on them — it is about learning to take responsibility for themselves and for the community around them.

We deeply value your partnership in helping our students grow into confident stewards
and well-mannered young people.

Thank you for walking this journey with us.

Regards,

Kalyani Chaudhuri
