Dear Parents,

We are pleased to inform you that a Raas Garba Celebration will be organised for our students on **Friday, 16th October 2026, during school hours**. It will be a regular school day.

Objective:

The celebration aims to introduce children to the rich cultural tradition of Navaratri, while giving them an opportunity to enjoy music, dance and togetherness in a joyful and safe environment. It will also help children appreciate and participate in our diverse cultural heritage.

Dress Code:

- Traditional Navaratri attire.
- Since the children will have a full day of school, parents are requested to choose comfortable and child-friendly traditional attire that allows them to move and participate freely.
- Dandiya sticks are strictly not allowed.

We look forward to celebrating the spirit of Navaratri with our little ones in a safe, joyful and memorable way.

Warm Regards,

Kalyani Chaudhuri
