**DOMINIC SAVIO KINDERGARTEN, NERUL**

**RAAS GARBA CELEBRATION**

**REPORT**

**By Tr. Anagha Chavan**

Dominic Savio Kindergarten celebrated Raas Garba with great enthusiasm on Friday, 16th October 2026, at 10:00 a.m. in the Ground Floor Assembly Hall. The event brought together children, parents, and teachers to celebrate India's rich cultural heritage and introduce young learners to the significance of Navratri.

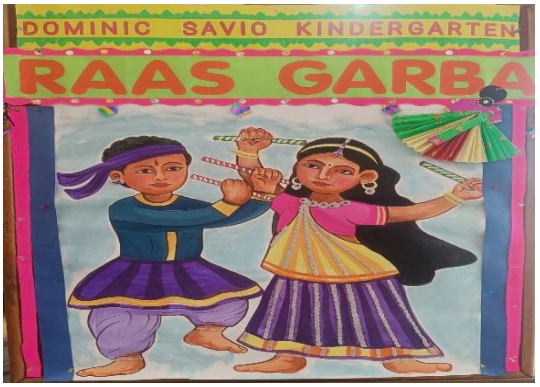

The programme began with an explanation of the importance of Navratri, helping children understand the traditions associated with the festival, the spirit of devotion, and the victory of good over evil. This introduction encouraged them to appreciate the cultural values behind the celebration.

The venue was beautifully decorated with elegant lights, attractive hanging decorations, and graceful saree draping, creating a warm and welcoming atmosphere. The traditional attire worn by the children and parents added charm to the occasion.

The event was graced by Rev. Fr. Allywn Misquitta , our Administrator, who offered his blessings to everyone present. Our Supervisor, Mrs. Mahek Khan, brought tremendous energy and enthusiasm to the programme . With her cheerful presence and graceful encouragement she motivated the children, parents, and teachers to join the Garba dance and participate wholeheartedly.

The highlight of the event was the joyful participation of children dancing alongside their parents and teachers. The lively music, rhythmic Garba steps, colorful attire, and beautiful decorations made the experience memorable. The involvement of parents also strengthened the bond between home and school.

The celebration concluded on a happy note, filled with smiles, laughter, and togetherness. It provided children with an opportunity to learn about Indian traditions while enjoying a meaningful cultural experience. The event beautifully reflected the values of unity, respect for heritage, and community spirit, leaving everyone with cherished memories.
