CIRCULAR TO PARENTS

Safety Precautions Around the School Building

DBSSSN/R/ACAD/FS I – XII/OCT/26/105

15th October 2026

Dear Parents,

This is to inform you that **bamboo scaffolding has been installed along certain walls of the school building** as part of the ongoing maintenance work.

In the interest of the safety of our students and parents, everyone is requested to exercise **extra caution while walking near these areas**. Students and parents are advised not to touch, lean against, climb on, or play around the bamboo poles and to maintain a safe distance from the building walls wherever these poles are installed.

Parents are requested to guide their children to walk carefully while entering, exiting, or moving around the school premises and to follow any safety instructions provided by the school staff.

We seek your cooperation in ensuring the safety and well-being of all members of our school community.
