NOTICE TO PARENTS – PENDING MANDATORY BIOMETRIC UPDATE (MBU)

Dear Parents,

This is to inform you that the Mandatory Biometric Update (MBU) of your ward is required to be completed at the ages of 5 and 15 years, as per Aadhaar guidelines.

The school had previously arranged MBU camps for the convenience of parents and students. However, Aadhaar officials are currently not available to conduct biometric update camps at the school.

As the updated biometric details are required for the UDISE Portal, parents are requested to kindly check whether the MBU of their ward is pending with their respective Class teachers.

If the biometric update is pending, please visit the nearest authorised Aadhaar Seva Kendra and complete the update at the earliest.

The updated biometric details are important for identity verification and may be required for school admissions, board and competitive examinations, scholarships and other government schemes.

Your prompt cooperation in completing this mandatory process is highly appreciated.

Regards,

Kalyani Chaudhuri 9/11/26
