DOMINIC SAVIO KINDERGARTEN, NERUL

PICNIC REPORT

By Tr. Roselin Rayan

Dominic Savio Kindergarten, enjoyed a fun-filled and memorable picnic filled with excitement, exploration and joyful learning experiences during the academic year 2026–2027. The picnic was organized in two parts to ensure age-appropriate activities and a rich, engaging experience for every child. A total of 374 students participated in the picnic.

A total of 108 Nursery students visited Play 'N' Learn – Kids Interactive Indoor Playground, Kurla, on 2nd November 2026. The children had a wonderful time exploring the colourful indoor playground. They enthusiastically participated in various fun-filled play activities, enjoying climbing, sliding, exploring and playing with their friends. The visit provided valuable opportunities to develop their gross motor skills, hand-eye coordination, social interaction and confidence. The children thoroughly enjoyed the experience and returned to school with happy memories.

A total of 266 Jr. KG and Sr. KG students had an exciting and enriching experience at KidZania, R-City Mall, Ghatkopar, on 3rd November 2026. The children enthusiastically explored the world of different professions through engaging role-play activities. They got an opportunity to experience various real-life occupations such as doctors, chefs, pilots, police officers, artists and many more. Through these activities, the children developed an understanding of different professions and their importance in society. The hands-on experiences encouraged independence, teamwork, communication, decision-making and problem-solving skills. The children actively participated in the activities and thoroughly enjoyed learning through real-life experiences.

The picnic provided meaningful opportunities for the children to develop social skills and strengthen friendships, enhance confidence and independence, explore different professions and understand their importance, improve communication and teamwork, develop physical coordination and motor skills, and experience experiential learning beyond the classroom.

The picnic was a delightful blend of fun, exploration and experiential learning. It provided children with opportunities to discover new things, interact with their peers and enjoy learning in a different environment. The excitement, enthusiasm and happy expressions of the children made the picnic a memorable experience. The days concluded with beautiful memories and joyful experiences that the children will cherish for a long time.
